Pace of play is enforced - expected pace of 2 hours 10 min per nine. All beverages must be purchased and consumed on premises.

TEES PLAYED: ☐ ☐ ☐ ☐ ☐

1. **AWA-A-AY WE GO**
Shot dogleg left - beware of water at 240 yards. Green slopes severely back to front.
2. **CRAB APPLE**
Dogleg right 221 yards to fairway bunker. No benefit to cutting the corner.
3. **WILLOW BEND**
Aim your tee shot at the 3 pine trees with a draw.
4. **WINDY WITCH**
Avoid going long or left of this green. Green slopes severely from left to right and back to front.
5. **HI-TENSION**
A good solid hole. Accuracy is a premium for this hole.
6. **DOUBLE TROUBLE**
Short but sharp dogleg right. Cutting the corner leaves you with an impossible shot to hold the green. 190 yards to clear the tree line.
7. **DISCRETION IS...**
A left center tee shot leave the best opportunity for the most important 2nd shot. Very small green.
8. **'LIL POISON**
Short but plays at least 2 clubs longer into the wind.
9. **OLD OAK**
Straight ahead hole. 230 yards to clear the fairway bunker. Over the green is jail.
10. **HICKORY HILL**
Toughest hole on the course. For most, a 3 shot par 4. Approach shot is a very shallow green with 4 pot bunkers in the front.
11. **FADER'S DELIGHT**
A tee shot to the right leaves no escape. 235 yards to the corner of dogleg.
12. **NEEDLE'S EYE**
Postage stamp green. 140 yards from tree line on the right to the green.
13. **EASY ACE**
A 4 club green. Wrong club leaves you with a tough two putt.
14. **KER-PLUNK**
A tee shot of 220 yards leave you short of fairway bunkers and only 125 to the green.
15. **LAKE VIEW**
Reachable in two if you favor the left side of fairway. Two tier green.
16. **WET 'N WILD**
Solid par 3. Very difficult green to putt. Severe slopes everywhere.
17. **WOODS 'N WATER**
Lots of trouble left and right. Play to the middle of this narrow green.
18. **BIG BALL WASHER**
Water on right is 180 to 230 off the tee. Elevated green makes a long 2nd shot hard to hold.
