# The Course

---

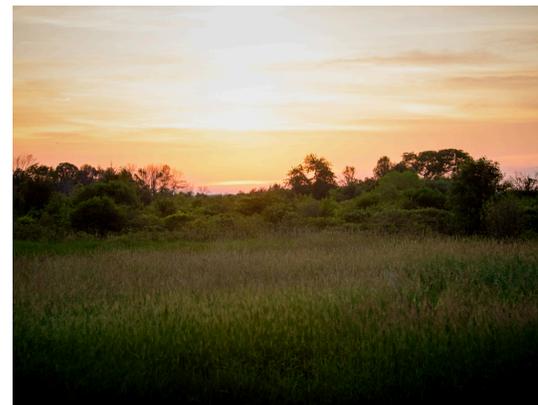

well-maintained, challenging and fun for all ages

---

Muskego Lakes Country Club was built by renowned designer Larry Packard and opened for play as a semi-private course in 1970. Since it's opening, Muskego Lakes has only grown to become a landmark in the community.

Our tee time intervals are 9 minutes apart in season. This avoids over crowding of the golf course, to then create a faster pace of play. We pride ourselves in a well-maintained course, tight fairways that are cut extra short and greens that are manicured to allow your ball to travel.

Get your game on at Muskego Lakes!
